

**BIBLE  
MEMORIZATION**

**Challenge Title**

Bible Memorization

**Age Group**

**4-7**

Memorize **John 3:16 in 3 languages** different from your own.

**8-12**

Memorize **John 3:16 in 5 languages** different from your own.

**13-18**

Memorize **John 3:16 in 7 languages** different from your own.

A popular children's song says, "Read your Bible, pray every day, and you'll grow, grow, grow." Though there is truth in these words, it is just the start. If you truly want to grow in your faith, the words of God need to be hidden in your heart. By memorizing Scripture, God's words are planted in your memory and grow deep and strong. They become a natural part of your thinking and actions. Not only does memorizing Bible verses allow you to act more like Christ in the face of temptation, it also allows you to encourage and help other people who are in need. It is very likely that you will someday meet people from different countries, so it can be helpful to know some Bible verses in different languages.

- 1.** Learn John 3:16 by heart in languages different from your own (according to your age group).
- 2.** Practice your pronunciation.
- 3.** Record it in audio or video format.
- 4.** Send it via email or WhatsApp to the education leader or a Children's Sabbath School teacher of your local church. (If there is none, send it to the team of the Education Department of the GC.)
